

Lions Complete First Stage Of Cattle Project

Club Steers Being Moved Into First Finishing Section Of Ranch
Cattlemen Lions chuckle and smile with weariness as they complete the first stage of their newest civic project, Lions Industry, Incorporated, a ranch.

BELLE GLADE TRAFFIC IS TO OPERATE UNDER NEW SET OF ORDINANCES

Chief of Police Goodlett's recommendations for the changing of our outmoded regulations were passed unanimously by the city fathers recently. According to the authorities, this revision has long been needed, and only Lady Luck has kept down to a minimum serious accidents on our streets.

Unit Here Alerted For Mobilization

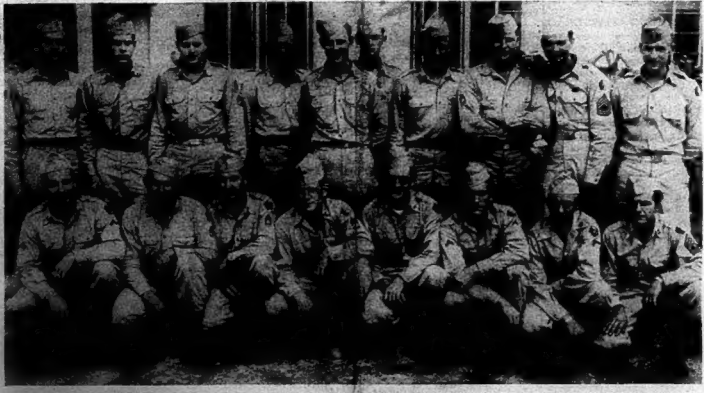

Local 497th Photo Interpreter Team of the West Palm Beach Organized Reserve Corps Sub Division is among the first units to be called for duty.

Earman To Speak On FCD Program

Joe Earman, chairman of the Central and Southern Florida District Council, will give a talk over WWSN at 8:15 tonight outlining the FCD program and its effect on landholders and agricultural interests.

Shootin' Blanks

The ill winds which blow no good are at it again. Hurricanes in these parts start before they are spotted deep in the heart of the Caribbean by weather specialists. I've discovered. Hot breezes come first whipping up whirls of yards of howl dredges follow many miles over land, finally settling in some foreign desert. Other stories are better yet, but I only print the possible.

Pictured is Company "E", 311 Battalion, 1st Infantry of the Florida National Guards as they left for a two weeks training period in Fort Jackson, South Carolina. Non commissioned officers are at the top and the entire unit at the bottom of the picture.

Prices Are Steady Trade Active At Livestock Market

Trade was active with prices about steady at the Friday sale of the Glades Livestock Market Association which saw a total offering of 331 cattle and 99 calves. Feeder and stocker animals were in good demand with 73% of the total run going back to the country.

Improper Handling Of Livestock Results In Heavy Monetary Losses

Editor's Note: The following article was submitted by H. L. Speer, county agent, on request. The material is deemed timely due to the young growth of cattle industry here. Assembled by Dr. Oliver F. Goen, Extension animal husbandman at the University of Florida, the information deals with livestock loss prevention.

Teachers Plan In Pre-School Period

It's not all apples for the teachers as they start back on the pre-school training schedule. The full schedule started with a joint meeting of county instructors in general assembly at West Palm Beach Monday.

SBD To Take VFW Beer License Due To Gambling There

Veterans of Foreign Wars Club No. 8181 here may lose its beer license as a result of a State Beverage Department investigation into gambling.

Ex Station Study Shows Cattle Gain 1.2 Lbs. On Grass

Twenty acres of St. Augustine grass pasture will feed fifty steers weighing from 500 to 900 pounds, according to records of the Everglades Experiment Station.

Proposed Ramie Bill With 35 Million Fund May Speed Industry Here If Passed

LAKE BUICK EMPLOYEES ENJOY ANNUAL OUTING
RDB Ramie Board Committee Offers Suggestions To Cong. Rogers

Harold Rabin was host to the Lake Buick employees on their annual outing. During the deep-sea fishing trip out of Everglades City, it is reported, Harold "started fast and finished last" in other words, he caught the first fish but it proved to be his only catch.

Poland Appointed Elks Dist. Ruler

Joseph B. Kys, Grand Exalted Ruler of the Benevolent and Protective Order of Elks today announced the appointment of W. E. Poland, Jr., as District Deputy Grand Exalted Ruler for the South Central District for Florida.

Change Announced In Ex. Stat. Staff

Glades Men Called In Weeks Draft

Draft orders this week were received by 11 Glades men, according to the county draft board.

PAR-TEE LINE

An important club membership meeting is scheduled to take place at 8 at the club, and officers urge all members to be present.

# Social Happenings

Mr. and Mrs. Lee Barryhill and children returned last week from a month's vacation in Michigan.

Mr. and Mrs. Casper Van Landingham have returned home from Hendersonville, North Carolina.

Mr. and Mrs. Warren N. Stoner and two children returned Sunday from Davis, California, where they visited relatives. Mr. Warren's parents and younger brother accompanied them home for a visit here.

Mr. and Mrs. E. A. Wolfe and children are visiting his parents in Peru, Indiana.

Mr. and Mrs. Thomas C. Erwin and children are spending their vacation at Fort Myers Beach.

Chief and Mrs. Charles Good left returned Sunday from a two week's vacation in Alabama.

Mayor and Mrs. Harold Rabin left last week for Pennsylvania and New York City.

Mrs. H. O. Carlton and daughter, Peggy and Penny, returned Monday from a month's visit with her parents in Eden, North Carolina.

Mr. and Mrs. Cline Boone and children who spent the past month in Delaware, Virginia and the Carolinas, returned home Monday night.

Dr. and Mrs. Ralph Pugh returned last week from a vacation motor trip to Southwest States.

Mrs. J. A. Harrell, who recently underwent major surgery at Good Samaritan Hospital, West Palm Beach, has returned home and is reported to be making an excellent recovery.

Miss Ruth West will leave the first of September for Chicago, where she will attend Bethany Theological Seminary and also continue her education in music.

Mr. and Mrs. D. B. Mathis returned last week from vacationing in Repton, Alabama, and with their son Billy, left last week end to make their home in Delray Beach.

Mr. and Mrs. J. W. West, Chosen, visited last week with his father, Mr. A. E. West in Stuart, Virginia.

Mrs. Chris Figueroa returned from a visit with her mother, Mrs. Eura Koen and other relatives in Baton Rouge, La.

Lt. Johnny Hooker visited his parents, Mr. and Mrs. W. E. Hooker, Sunday night and Monday, before leaving to attend camp at Fort Jackson.

Mr. Carl Payberg, Hollywood, visited his mother, Mrs. Inga Nielson Sunday.

Rev. and Mrs. Ralph Hughes and five children have moved to Belle Glade to make their home. Reverend Hughes served as supply pastor at the Community Methodist Church during the absence of Reverend L. F. Vanderwater.

Mrs. and Mrs. O. A. Ward, Sr., Augusta, Georgia, are visiting their sons and families, O. A. Ward, Jr., in South Bay and Clifford Ward in Belle Glade.

Mr. and Mrs. Charles Lashley and daughters of Tampa are visiting friends in Belle Glade and vicinity.

Mrs. C. B. Dryden of Rogers, Arkansas arrived last week to join her husband who recently opened a business here.

Mrs. Josephine Farmer returned recently from a vacation spent in South Carolina, Detroit and Canada.

Mrs. Madge Taylor, of Bristol, Tennessee, is visiting at the home of her daughter, Mrs. Junius Harris.

Mr. and Mrs. E. R. Strickland are visiting relatives in Palatka this week.

Mr. and Mrs. Buford Prescott and Mrs. E. T. Morris left

Sunday to spend a two week's vacation in Mississippi.

Reverend and Mrs. Wade H. Griffin and children are spending several days in Orlando.

Mrs. Esther Ringo, Mrs. Hunius Harris and Mrs. Madge Bristol visited in Miami Tuesday this week.

W. L. Cunningham, Jr., has gone to Chambersburg, Pa., for the remainder of the summer.

Mr. and Mrs. Luther Jones left Tuesday morning on a business trip to Tallahassee and Columbus, Georgia. They will also attend graduation exercises at Peabody College for Mr. Jones' sister, Mrs. Mary Horton, in Nashville.

Mrs. Gertrude Maddox and two children from Dublin, Georgia, arrived last week to make their home in Belle Glade. Mrs. Maddox is a daughter of Mrs. J. D. Graham.

Mr. H. G. Edwards visited in Tampa last week end and was a guest at the home of Mr. and Mrs. M. L. Schmitz.

Mr. J. B. Jones and son, Peter, spent last week end in St. Petersburg.

Dr. and Mrs. Roy A. Balr will leave the first part of September to make their home in Gainesville. Dr. Balr will serve as agronomist at the Main State Experiment Station there.

Mr. and Mrs. D'Angio have moved to Lake Worth where they will be engaged in a private business. Mr. D'Angio was organic chemist at the Everglades Experiment Station.

Dr. and Mrs. Norman Hayalp left recently to make their home in Fort Pierce.

Mr. and Mrs. Walter A. Hills and daughter, Barbara, left the first of the month to make their home in Boynton. Mr. Hills served on the Everglades Experiment Station staff as pathologist.

Mr. and Mrs. William D. Hogan left recently to make their home in Fort Pierce.

Dr. Dan W. Beardsley will leave the first of September to enroll at the University of Illinois where he will continue working on his master's degree in animal husbandry. Mrs. Beardsley and daughter, Bernice, will accompany him to

make their home in Champan or Urbana.

Following a vacation here with her parents, Miss Daisy Nelson, daughter of Reverend and Mrs. P. C. Nelson, left this week for Cushing, Oklahoma, where she will teach Home Economics in the High School this coming year.

**BIRTH ANNOUNCEMENTS**

Mr. and Mrs. Theodore Dees announce the birth of a son, Stanley Theodore, August 12, at Belle Glade Memorial Hospital. Mrs. Dees was formerly Louise Green.

Mr. and Mrs. Floy Taylor announce the birth of a daughter, Janice Louise, August 5, at Belle Glade Hospital.

**ORDER OF RAINBOW WILL ATTEND GRAND ASSEMBLY**

Belle Glade Rainbow Girls will leave Sunday, August 21, to attend Grand Assembly of Rainbows at the Municipal Auditorium in Fort Lauderdale, August 21-24.

The girls will spend two weeks on the beach at Coast Guard Cottages, with their supervisor, Mrs. Joe Cherry as chaperone. Reservations are made for the following: Florence Bore, Nada Cumpton, Helen Causeaux, Fay Swanson, Betty Layfield, Jerry Corbin, Doris Burke, Kay Fears, Clara and Irma Stein, Claudie and Beverly Phelan, Pat Tatam, Jane Morris and Gloria Crosby.

**LEGION AUXILIARY TO MEET MONDAY NIGHT**

Ladies of the American Legion Auxiliary will hold an informal meeting Monday night at 8:00 p. m. at the home of Mrs. Edith Kirkman in Northwood Gardens. All members are urged to attend.

Dinner guests Monday night at the home of Mr. and Mrs. H. D. Beck were Mr. and Mrs. Harry Peters and Mr. and Mrs. Harold Reidel. The occasion marked the wedding anniversary of Mr. and Mrs. Peters and the birthday of Mr. Beck. Canasta was played following dinner.

**MRS. KIDDER HOSTESS AT THIMBLE PARTY**

A sewing quiz contest was won by Mrs. Roy Balr. Others attending were: Mrs. Willard Scheffler, Mrs. R. V. Allison, Mrs. Thomas Bregger, Mrs. George Boyrdon, Mrs. John Randolph, Mrs. Walter Thames, Mrs. Edward Gangstad, Mrs. Miles Byrom, Mrs. Eugene Pennington, Mrs. Dan Beardsley, Mrs. Edward King, Mrs. Clarence Kidder and Mrs. Joe Jones.

Refreshments were served.

**PROGRAM COMMITTEE GARDEN CLUB MEETS**

The program committee of Belle Glade Garden Club met at the home of Mrs. Luther Jones, chairman, Thursday evening to outline the club's pro-

gram for the coming season.

Many interesting things were planned, included in which were two out-of-town trips, one to the Deerfield Estate in Miami, and another picnic in the woods.

Programs when good speakers will talk to the club members on pertinent topics, were planned, and the practice of having contests in both arrangements and specimens of plants was instituted.

Attending were: Mrs. Ivan Van Horn, Mrs. H. D. Beck, Mrs. H. Reidel, Mrs. Harry Peters and Mrs. D. Altman.

**S. K. SMITH'S HOSTS AT BIRTHDAY DINNER**

Mr. and Mrs. Sidney K. Smith, Jr., were hosts at their home Tuesday night, entertaining for her mother, Mrs. John A. Dulaney of Pahokee, on the anniversary of her birthday. The traditional birthday cake and ice cream were served.

Guests included Mr. and Mrs. R. E. Billington and son Charles of Gainesville; Mr. and Mrs. Ralph K. Smith, Jr., and Mrs. Rebecca and Clifford, Mrs. C. A. Shive, Mr. and Mrs. Duncan Padgett and children, Joy and Marvin, Mr. and Mrs. Dan Cantor and children, Milton and Carol, John A. Dulaney and son, Philip, all of Pahokee; Mr. and Mrs. Sydney K. Smith, Sr., Gloria Miral, Sydney, the third and Kathryn Jane Smith.

**BPW ENJOY BARBECUE**

The Business and Professional Women's Club held their August Social meeting Tuesday night at the home of Mrs. Mary Pope in Northwood Gardens. Co-hostesses were Mrs. Helen Larrimore and Mrs. Audrey Jones.

The group enjoyed an outdoor barbecue followed by Canasta and Bridge. A short informal business meeting was conducted by the president, Mrs. Imogene Fontaine.

Members attending were: Mary Leonard, Emily Young, Gene Cross, Nonnie Parrish, Lucille Rhodes, Verda Mathewson, Lucille Arnold, Mildred Larrick, Billie Campbell, Mary Ann Arnold, Paulette Blank, Frances Rhudy, Audrey Jones, Helen Larrimore, Mary Pope and Imogene Fontaine, and guests: Edith Eckman, Rachel McGowan, Blanche Copper-smith and Helen L. Voerge.

**DEMOLAYS WILL SPONSOR DANCE**

The Demolays will sponsor a dance at 8:00 p. m. Friday, August 18, in Carpenter's Hall on North Main Street.

A cake auction will be held at 10:30. Admission fee 50c, hag, stag or drag.

"Shrugging Off" Road Signs is Filling Hospitals And Cemeteries.

"You can't shrug off traffic signs!" Safety Director H. N. Kirkman told Florida's drivers recently as the Florida Highway Patrol's August program of traffic safety education moved into its 16th day.

"You can bet your bottom dollar," he said, "that every

traffic sign and signal you pass on the highway has a definite reason for being where it is. The hospitals and cemeteries are full of ex-drivers who shrugged off some sign on the highway and who never put it there. They didn't know what he was doing."

A great many intersections having "Stop" signs are deceptively safe-looking, but have a bloody history behind them that necessitated the original installation of these controls, the Florida Highway Patrol reports.

In the same way, each speed limit and warning sign is a silent testimonial to days and weeks of investigation and testing by traffic experts in their efforts to determine at what speed, and under what conditions, the road may be safely traveled. Entering into this are studies of the road's surface, what effects various weather conditions have on it, topography of the country through which the road travels; principles of inertia; and other factors that could occur on the average driver.

"No traffic sign or signal," Kirkman said, "is thrown up at random simply because it is found lying around in the sign shop."

The Florida Highway Patrol, in its efforts, this month, to impress motorists with the importance of obeying signs and signals, is cooperating with the National Safety Council.

A Texas music educator says there's a need for bop, swing and sweet jazz in high schools to get students interested in music.

Dr. Arthur Jones, professor of music education at the University of Texas, says music classes "should offer the kind of

music the students are interested in.

Then, after they're enrolled in the music classes, it's time to expose them to Bach and Beethoven, Dr. Jones told Florida teachers, principals, supervisors and superintendents attending a leadership conference in Tallahassee.

It's not easy, though. "The trouble is, lots of music teachers don't know bop and jazz," Dr. Jones said. And he admits, "I can't do it either."

He suggests music teachers ought to listen to the radio more often so they'll know what kind of music the students like.

### Two Alarm, Two Close Following Fire

The Belle Glade Fire Department has had alarms too close together for comfort in the last week or two, according to Chief Lawrence Will. On August 3, the assistant chief had a truck on the football field, watering the recently replanted grass in preparation for the football season, when a hurry call came from Hecior Supply Company to put out a flash sulphur fire. A few days previously the fire department was called out almost simultaneously to three fires: to the Coastal Truck and Equipment Co., to put out an auto gas tank fire; to the intersection of Main St. and Ave. E, where an aged car being driven away to be junked had become too hot and burst into flames; and to the packing house district to put out a grass fire. However, due to the alertness of the firemen, all three fires were extinguished in record time.

Bob Blair, Assistant Chief, and family live on the premises at the Fire Department. When he is away on duty, or otherwise a policeman takes over at the radio.

Four members of the volunteer fire crew attended the district conference of the Florida State Firemen's Association at Lake Park Saturday. They were accompanied by their wives and returned an enjoyable day. Attending were: Charles Greer, Tommy Whitaker, J. P. Collins and Quillian Lane.

Chief Will plans to send two to the annual Fire College to be held in Ocala for three weeks beginning August 14, when five day training courses will be given in both primary and advanced fire-fighting. There will also be classes in the Civilian Defense set-up.

### CITY TALENT

(Continued from Page 1)

Seventeen, from Lake Worth, sang "Chop-a-Chop." Gail Sasser's smooth ballad dance was accompanied by Marianne Womack. Mary Ann Tillery and Sandra Drea created a bright spot on the program with their hula and acrobatic stunt, followed by Betty Lou Scarborough's effective vocal presentation of "You Told a Lie." Joyce Maloney brought on ripples of laughter with her amusing two-faced "Goforth" dance.

Clark Womack's second vocal solo was "Mona Lisa." Three comedy skits by members of The Stagecrafters had been planned for the program, but due to mechanical trouble, one of the cars bringing two of the players from West Palm Beach was unable to reach Belle Glade. Dr. Margaret Luba, the director, gave the skit, "Man On The Curb," as a reading, using two completely different types of voices. It was a conversation between Mrs. Vanderpool, a wealthy dowager, and Dannie, a bum, who was always searching the streets for cigar butts.

Marianne Womack played a second lovely piano solo, and Bud Green sang "I Love Life." Laurine Anderson did some real yodels in "The Yodel Blues," followed by a delightful "Boogie Woogie tap. Joyce Maloney's next dance, a "Swannese River" tap. Bill Bailey and his accordion brought an appreciative response from the audience, as did Betty Lou Scarborough's second vocal number.

Spontaneous applause punctuated the smoothly during acrobatic novelty presented by Evelyn Clay from Canal Point. Then Clark Womack gave a pleasing rendition of "Sunshine Cake."

The comedy skit, "Hotel Lavalier," with real telephone equipment, was changed momentarily into a reading, with the director taking the parts of both Marge and Gerrie, the two telephone operators.

A free will offering was the next feature, the entire amount being presented at the end of the program to the Hospital Auxiliary, the name of which was drawn from a box. There was an error in the original counting by four teenagers. The amount was announced as \$23.85, but a later counting showed it to be \$42.54, a welcome mistake.

Kay Lutz and Johnny Robinson Jr., surprised and delighted the audience with an exquisite Adagio dance, which they had created, with amusing touches at the beginning and end. Bud Green's musical presentation of "One Alone," and a lovely ballet and toe dance by Joyce Maloney closed the program. The door prize, a beautiful table lamp contributed by Mather Furniture Company, was won by Mrs. H. V. Drea.

The accommodations were played by Miss Marianne Womack and Mrs. Mary Anderson of Belle Glade, and by R. J.

Ficus of Lake Worth, substituting for Miss Joyce Wilson. The lovely costumes of the performers gave a colorful and festive touch to the performance.

At the end of the show the director introduced Mr. and Mrs. Gerald S. Parker of Riverview Beach, Stage Manager and Librarian, respectively, of The Stagecrafters. They contribute their time and efforts to these benefit performances, to the benefit of the general music director, and all The Stagecrafters and guest performers.

### ROTC STUDENTS HAVE BATTLE

There was rifle and mortar fire in the hills of Georgia this week and Florida men were pitted against Florida men, but it was all in the name of the "battle" at Fort Benning, Georgia was simulated infantry combat for 44 University of Florida Reserve Officers Training Corps ground force cadets at a six weeks summer camp.

The 44, representing every one of the state's colleges, spent their six weeks "duty" this week after a rigorous program of infantry instruction and simulated combat exercises. The 44 marked only a portion of the University's overall ROTC Program, for similar numbers of advanced ROTC students were at other camps throughout the South either in Air Force summer training, or Transportation Corps instruction.

Reserve Officers Training Corps instruction is required of all first year students for the freshman and sophomore years, and voluntary for advanced training leading to a reserve commission the last two years.

Since the ROTC program was reorganized following World War II, 333 students have received reserve commissions, while thousands of others have received the two year basic training. The University's ROTC program is the largest in the Third Army area and embraces both ground forces and air forces training. But at Fort Benning, the 44 ground force cadets got a real glimpse of infantry warfare in training ranging from small and heavy weapons firing, combat projects, and material demonstration, to exercise command, leadership instruction, and signal communications.

They lived in Army barracks, crawled through the brush to contact the "enemy" and dropped live 81 MM mortar shells in mortars that hit their targets 1,200 yards ahead. They ate "field rations" and were awakened in the "middle of the night" by an enemy bayonet charge, and through it all they took it with a smile.

They liked the camp, the officers, and the experience they were getting, and arrived back home this week a little wiser and more experienced in the techniques of infantry warfare.

### AMOS HALL, SHERIFF OF BROWARD CO.

Governor Warren has named Amos Hall, former Hollywood City Councilman, to succeed Walter Clark as sheriff of Broward County. The new sheriff, who will serve until the next senate meets to consider Clark's suspension from office for malfeasance, was the nominee of State Sen. George E. Leard of Fort Lauderdale. The Broward County Warren policy committee resigned when their plan for an immediate special election was brushed off.

### Z. H. PILCHER APPOINTED FIELD REP. FOR SECTION

In order to provide more effective on-the-spot service for business on the Jupiter Inland Sea Coast, which includes the counties of Palm Beach, Broward and Dade, Z. H. Pilcher of Fort Lauderdale, has been appointed field secretary for the Florida State Chamber of Commerce in that area. Harold Coe, executive vice president of the State Chamber, announced recently.

Mr. Pilcher's many years of experience in various business fields qualify him for the important work which has been assigned to him in this rapidly growing section of Florida. Coe said. Following service in World War I, he was a building contractor, served on the staff of the "Century of Progress" in Chicago, was the financial field representative of FMA for the Chicago area, and for a time was associated with the Weyerhaeuser lumber interests.

He came to Florida in 1940 as financial representative for a building credits bureau. During World War II he served as

an industrial specialist with the Smaller War Plants Corporation and placed more than a hundred million dollars in contracts through the Tampa office which he opened.

Following the War he was employed as secretary of the Hollywood Beach Chamber of Commerce until he resigned after two successful years of service.

Pilcher will maintain headquarters at 532 N. E. 25th Street, Fort Lauderdale, Coles stated.

### Relaxed Rules Encourage GI Flight Students

Relaxed requirements have encouraged veterans to enlist in the G. I. Flight Training program at Belle Glade Airport, according to Bill Golden, of the Glades Aviation Company.

The two courses, private and commercial, are open to both men and women under the G. I. Bill of Rights, although stated Mr. Golden up to the present time no members of the fair sex have applied for the G. I. training. Eleven students are now enrolled, one from Canal Point, two from Pahokee, one from Lake Harbor and the remaining from the Belle Glade area. It takes approximately ten months training for the average student, stated Mr. Golden, and the applicant should have at least high school education. However, good pilots have been made of students with less education. Close to 150 pilots have been trained here within the past four years, states Mr. Golden, with a minimum "washed out."

The Glades Aviation Company is the only civil aeronautics administration approved flight school in the Glades area. Only one other is operating in the county, at Lantana. The company here is also approved by the State Board of Education and the Veterans Administration.

Since four hours night flying is required in the course, and the Belle Glade airport fleet is not equipped with landing light. It has the status of a

lights, Mr. Golden has devised two dozen portable lights, operated on electric batteries, to outline the field for students building up the necessary night hours.

### General Motors Diesel School Meets Response

The traveling Diesel Engine School of General Motors Corporation now being held at the Murray Equipment Company in the Roy M. Lane & Sons Building, is meeting with hearty approval by users of Diesel engines in the area.

The unit is a complete training facility that in a matter of minutes can set up to put on a thorough course in specialized Diesel engine mechanics. It is accompanied by two expert instructors from Detroit Diesel's factory service school. All classroom and laboratory equipment including charts, films, test material, cutaway Diesel engines and testing apparatus is neatly packaged in a specially designed cut-over engine truck. The purpose of the tour is to train construction and industrial user personnel in the proper operation and servicing of General Motors Series 71 Diesel engines. The two day program is being conducted in collaboration with The Marine Engine and Equipment Company of West Palm Beach, General Motors Diesel distributor for Belle Glade.

The school enables the users in this area to further train mechanic personnel in the maintenance of these engines in preparation for the possible loss of skilled mechanics to the armed services.

### FLEET MARINE MOBILE UNITS READY TO GO

Loaded for bear, and ready to go at the drop of a hat your Fleet Marine Force today consists of two highly mobile Marine combat outfits, fit and willing.

Specially tailored forces are now carrying a high state of readiness, the Fleet Marine Force, is defined as a balanced force of land, air and service elements of the U. S. Marine Corps which is an integral part of the United States Fleet in the Atlantic and Pacific. It has the status of a

full type command and is organized, trained and equipped for the seizure or defense of advance naval bases and for the conduct of limited amphibious or land operations essential to the prosecution of a naval campaign.

The state of Louisiana was purchased by the United States from France in 1803 for the sum of 15 million dollars.

### FIRST OF THE FINE CARS IN VALUE

## BIG MOMENT- with a Double Impact

It's a big moment when any car rolls up to your door and you start out fresh and spanking bright.

Think, then, what it's going to mean when that new car is a Roadmaster like this one pictured here.

You'll swing wide the door and slide into a car that's truly fine—and looks it.

You'll put foot to treadle and touch off the might of a great, 152-horsepower Fireball straight-eight that's ready to master any road—or anything it meets there.

You'll have the silken magic of Dynaflow Drive to simplify your

driving, ease your way. A handsome flexible steering wheel, automatic windshield washers, soft Foamtek cushions, and many other items that are "extras" elsewhere are standard equipment here.

But even while you enjoy all that, you've a still deeper satisfaction enriching your pleasure. For here you have not only a fine car, but a sound and frugal investment as well.

You have paid less per pound than any comparable car costs—and automotive men will tell you price per pound is the soundest measure there is of solid, thoroughgoing merit.

You've bought quality—top quality—all the fine things a fine car should provide. But you haven't spent a penny more than a fine car needs cost.

And that can mean a lot. For instance—

Drop in on your Buick dealer. Try out a Roadmaster. Match it, feature by feature and point by point, with any other fine car on the road.

Then get the price. You may well find that you can get not only a new Roadmaster for the sum you had in mind—but maybe a new fur coat for your wife as well.

**SEVEN-DAY FULLWARRANTY.** This rugged front end (1) with the drive shaft (2) runs on more than 100,000 miles. (3) avoids rusting here on lead-acid electrolyte. (4) avoids "locking horns." (5) makes parking and getting out easier.

**Buick Roadmaster**

deliver more horsepower at a cheaper price  
The world's most popular engine  
More trucks on Chevrolet than any other make! And one important reason is Valve-in-Head engine design. For 31 years Chevrolet has been the largest producer of world famous Valve-in-Head engines.  
Blue-Flame combustion  
Chevrolet's Valve-in-Head design makes possible the smooth, even burning of the fuel-blue-flame combustion. Combustion chambers are carefully shaped to bring most power from every drop of gasoline.  
Lower cost per mile!  
Chevrolet's Valve-in-Head Loadmaster engine with greater horsepower for the dollar offers important advantages to truckers. It means greater efficiency—it means bigger pay loads for lower cost per mile!  
PLUS—Chevrolet Advance-Design Truck Features!  
TWO GREAT VALVE-IN-HEAD ENGINES • NEW POWER-JET CARBURETOR • DIAPHRAGM SPRING CLUTCH • SYNCHRO-MESH TRANSMISSIONS • HYPOID REAR AXLES • DOUBLE-REINFORCED BRAKES • WIDE-BASE WHEELS • ADVANCE-DESIGN STYLING • BALL-TYPE STEERING • UNIT-DESIGN BODIES  
First in demand First in value First in sales  
Not horsepower... the power you use, the power delivered to the clutch... is the true measuring stick of a truck's ability to perform!  
And here's the power, Chevrolet heavy-duty trucks with Loadmaster engine have no equal among the five most popular diesel engines.  
makes in their weight class—12,000 to 16,000 lbs. G.V.W. Chevrolet heavy-duty trucks lead them all! Compare the fuel check the serial plates of all other trucks for proof!  
And remember—it's the power of the clutch that counts! Come in and let us tell you why every Chevrolet truck is leading!
